2014 PASSING TIME CABERNET SAUVIGNON, RED MOUNTAIN

This monster of a wine, leads with black cassis, dark plum, blackberry, crushed rock, cigar box, and violet aromas. The wine itself is stuffed with concentrated dark fruits, cassis liqueur, toasted vanilla bean, and mineral elements, with an exotic floral hint that lingers on the palate. This is a compelling and powerful wine, the essence of Klipsun Old Vine Cabernet. It will be fun to follow it for two decades or more.

The inkiest, most vibrantly colored of the lineup, the Cabernet Sauvignon (there's 3% Cabernet Franc) dominated the 2014 Red Mountain Cabernet Sauvignon sports a textbook Red Mountain bouquet of plums, blackcurrants, liquid violets and dried earth. Rich, full-bodied, concentrated and layered, it's a beautiful wine that's going to benefit from short term cellaring and keep for two decades.
