## 2015 PASSING TIME CABERNET SAUVIGNON, WALLA WALLA VALLEY

Our first wine to feature 100% Cabernet, the 2015 Walla Walla Valley Cabernet is truly a beast. Black cherry, plum, bittersweet chocolate, and baking spices on the nose. Broad shouldered and firm in structure, with dark red and black fruits, winter mint, tarragon, deep cocoa, and mountain flowers. This is a chewy and substantial Cabernet that should last for decades.

ISSUE #231 JUNE 2017

Made from 100% Cabernet Sauvignon from a mix of Seven Hills and Pepper Bridge Vineyards, the 2015 Walla Walla Valley Cabernet Sauvignon is backwards and brooding, with deep, black fruits, tobacco and graphite aromatics, full-bodied richness, a structured, concentrated profile and terrific length. The tannin is ripe and polished, but there's enough to warrant short term cellaring. As with all three AVA Cabernets, it's a sensational looking barrel sample that I can't wait to taste from bottle.
