2015 PASSING TIME CABERNET SAUVIGNON, RED MOUNTAIN

Evocative nose with crème de cassis, Damson plum, violet, crushed rock, dried roses, and espresso. The palate has a silky, creamy texture featuring dark red fruits, bittersweet chocolate, and graphite. Power and elegance harmonize on the palate and through the finish. This wine stays refined even as it is large scaled and built for the long term. A two to three year wait is great for a start, but this wine will last 15-20 years easily.
